Location is amazing! Right in the heart of Lakewood and centrally located with easy access to major roads and amenities. Minutes from the mountains or downtown. Three block walk to light rail and public transportation and one block from the park! A full two car garage is rare for this neighborhood. Hardwood floors throughout top level, walk out deck for quiet afternoon dinners and BBQ's. Low maintenance construction and a huge yard with mature landscaping. Roof is 3 years old, 2 year old water heater and updated vinyl windows. Bring your buyers!!!
