End your search with this gorgeous completely remodeled 4-Level home nestled in an established neighborhood. You are immediately greeted with a freshly custom painted exterior. Step inside the roomy, airy and bright living room with beautiful hardwood flooring. Continue over to the dining area that over looks the lower level family room and features hardwood flooring, great natural light and custom built hand railing. Updated kitchen has brand new stainless appliances, ample storage space with the new white shaker cabinets. Kitchen also boasts impressive custom tiled back-splash featuring glass subway tile. Step upstairs to find three roomy bedrooms all with custom paint and new paint. The spacious master bedroom adjoins with a private master bathroom. Master bath features custom tile work throughout. A large walk-out family room with an impressive brick adorned wood burning fireplace welcomes you as you make your way to the lower level. Lower level also features the 4th bedroom, roomy laundry room and another custom tiled bathroom. Finally the finished basement gives you a huge secondary family room space. Out back you have a large fenced backyard and a lovely stamped concrete patio. Home has nice mountain views, sits close to schools and parks and is conveniently located close to the Powers Corridor.
