This beautifully updated, well maintained, 5 bedroom home located in Stetson Hills is a must see! Located just off Peterson and Barnes, it has great access to shopping, parks, emergency services and more. Easy commute north or south on 83 and close to multiple military installations. This spacious home boasts vaulted ceilings, a large, open kitchen with granite countertops, a large master suite with attached 5pc bath and walk in closet, excellent secondary bedrooms and 4 living areas! This home is full of character and fine details! From bump outs and built ins to well placed closets for extra storage, this house won't disappoint. Don't miss your opportunity to spend the summer relaxing on the large back deck! The outdoor space is an excellent balance between room for every thing and low maintenance - it's the best of both worlds! The gas fireplace makes for a cozy spot to enjoy the cool Colorado winter nights and the open concept allows for great flow while entertaining! This home is a must see - schedule your private showing today!
