End your search with this 2-story Briargate beauty! Step inside where a roomy living room greets you with beautiful wood laminate flooring, soaring ceilings and great natural light. Continue towards the eat-in and walk-out kitchen. Kitchen boasts brand new stainless appliances, great counter space with new counter tops, custom tiled back-splash and ample cabinet space with new cabinets. Main level also features a roomy family room with great natural light, wood laminate flooring and custom tiled gas fireplace. The main level is completed with a half bathroom that adjoins with the laundry area. Travel upstairs to the upper level to find 3 well appointed bedrooms. The spacious master bedroom privately adjoins with the full master bathroom with double vanities and custom tile work throughout and the walk-in closet. The master bedroom also boasts a private bonus space that could be used as an office or sitting area. A convenient hallway full bathroom with custom tile work completes the upper level. Make your way down to the finished basement where a secondary family room welcomes you and gives you another great living space. Home also features brand new light fixtures, new carpet and custom interior paint throughout. Out back there's a great fenced backyard with nice wood deck to enjoy. Home sits in the desirable D20 area with easy access to schools, parks and more. Make this your home today!
