6810 Blue River Way Colorado Springs CO 80911

End your search with this completely remodeled side-entry Bi-Level home. A large landing welcomes you inside. The landing leads you upstairs, downstairs and walks out to the backyard. Make your way upstairs where a large bright living room greets you with beautiful wood laminate flooring. A spacious eat-in kitchen features custom tiled back-splash, brand new counter tops and brand new cabinets throughout. Kitchen also boasts brand new stainless appliances and pantry for extra storage. Upper level also features a roomy master bedroom and secondary bedroom with great natural light throughout. A full bathroom with custom tile work throughout completes the upper level. The lower level welcomes you with a spacious family room area great for entertaining and relaxing. Two additional well appointed bedrooms, laundry area and additional bathroom with impressive custom tile work throughout completes the lower level. Out back there's a large fenced yard with patio for you to enjoy. The home also has brand new carpet, new custom interior paint, new light fixtures and more. Home sits within close to schools and parks, shopping and more. Easy access to Ft. Carson & Peterson AFB. Short distance to I-25. Make this your home today.
