Wow! What a piece of history. This home is the original location of Bristol Elementary's Gym built in 1958 & reconstructed in 2016. This 3 Bed 3 Bath treasure in the desirable west side community is modern main level living. 12' ceilings throughout, contemporary lighting, original hardwood floors, study/office space, smart blinds throughout, huge master retreat & even the original slate from chalk boards repurposed around the fireplace. Exterior design for relaxation and xeriscaped front & side yards. A true historic gem!
