## 1732 N Keymar Place Pueblo West CO 81007

Come take a look at this lovely 3 bedroom 2 bathroom, 3 car garage, beautiful stucco home in pretty Pueblo West. This home offers great space, 9 ft ceilings, upgrades and touches in the kitchen such as Stainless Steel Appliances, and Brazilian maple floors. The bathrooms are adorned with the same attractive Brazilian floors, brushed nickel finishes, and soft close cabinets. Some other great features in this home include a state of the art tankless water heater, Central Air, a continuation of the Brazilian maple floors into the dining, entry and laundry room areas, and bedrooms that have built in shelving in the closets. There is also a large unfinished basement with a fire suppression system, offering potential and great possibilities for future design, entertainment and leisure. Head outside and there is a gorgeous 12x12 covered Trex deck, an exterior security camera system, a fully fenced yard and some nice landscaping. The 3 car garage is oversized and can fit a full size truck. The peaceful location of Pueblo West is to be desired as well. A bit of country living, but not far from shopping, leisure and entertainment, the location offers the best of both worlds with a quick trip on North or South I-25. This home is also not far from the well known military bases in its neighboring city of Colorado Springs. With it's beautiful interior and quiet location, this is one you won't want to miss!
