ABOUT THIS PROPERTY

This custom-built Colee Hammock home in Fort Lauderdale combines Florida charm with modern luxury. Inside you'll be welcomed by warm wood floors and tons of natural sunlight. You'll also find your very own custom-built pub, equipped as any full bar would be with beer taps, coolers, an ice machine and any other amenity you would need for a great party. With 5 bedrooms, there is plenty of space to host friends and family. Outside, you can enjoy the summer breezes from the expansive wraparound porches on the first and second floors or lounge by the pool with your favorite cocktail. The outdoor kitchen features a bar, cooktop, and refrigerator so you can dine poolside. Whether you're entertaining friends or relaxing with family, this Fort Lauderdale home is the ultimate Florida retreat.
