Experience the best of all worlds living in this exceptional custom home at the Colorado Golf Club! Mountain style meets urban elegance in this must-see masterpiece perfectly situated on a nearly two-acre, pine filled premier lot in one of Colorado's most exclusive gated communities. Enjoy the superb floor plan and stunning architecture of this almost 9,500 square foot home including a spectacular gourmet kitchen with 2 Sub-Zero refrigerators and 2 Miele dishwashers, open great room with floor-to-ceiling windows, luxurious main floor master suite with separate his & her closets, and breathtaking mountain and golf course views. The 3 additional bedrooms upstairs, each with its own private bath and walk-in closets, have access to a separate family room for study, play or television. Also upstairs and connected through a rear staircase next to the secondary laundry room is an additional suite featuring another bedroom, kitchen, living area, bath and walk-in closet--ideal for in-laws, nanny or the ultimate home office. The lower level offers a beautiful wine room, spacious entertaining or family gathering area, home gym, an additional bedroom with private bath plus a huge bonus room for a quiet office location or hobby area. 5 fireplaces, multiple patios, 5 car garage, porte cochere, tons of storage space, and across from the short course. When here, you will appreciate the 1,000 acres of protected open space while still being less than 30 miles to Downtown Denver and DIA- Don't miss this opportunity.
