Wonderful location close to bus stops, light rail, trails, parks and in the summer you can enjoy your own community pool. Bright and light this unit offers 2 bedrooms, office, 2 baths and generous sized living room. The kitchen has upgraded cabinets and granite countertops. New roof 2021, furnace and A/C. Once entering the unit there is tile floor foyer and a large living/family room area. Entering the kitchen provides plenty of space for family gatherings, the countertops are granite with updated cabinets. Laundry is also on this level with a well appointed half bath and large hanging closet. Upstairs is a generous sized primary bedroom with seating area and an adjoining room that is currently staged as an office. There is a walk in closet and adjoining full bath. There is also another bedroom complete with walk in closet. The lower level provides storage space and access to the heated underground garage with plenty of lockable storage lockers and 2 parking spaces. This location provides easy access to Denver Tech Center, light rail, bus stop, cherry creek reservoir, trails, parks and community pool. Home is being sold as is.
