Superhome available October 2023! This beautiful 3882 Sq. Ft., 5 Bedroom, 4.5 bath home features a convenient Next Gen suite with a private entrance, living room, kitchenette, bedroom, bathroom and 2 + 1 car garages and unfinished walkout basement for future expansion. The first floor of the main home is host to the open-concept living and dining space, while the second level is occupied by three bedrooms and a spacious loft. An spacious covered deck spans the rear. The unique Superhome floor plan is a revelation for multi-generational families, or can function as the perfect live/work environment. Lennar's Everything's Included package means beautiful finishes and features are standard, including quartz countertops throughout, vinyl plank flooring, stainless steel appliances, a full unfinished basement, and more. Photos and walkthrough tour are of model only and subject to change.
